

Young Adult Advisory Board Application

Hudson Library's Young Adult Advisory Board is open to Hudson teens in grades 7 to 12. The group meets monthly to help plan teen programs at the Hudson Library, to make recommendations for purchase of young adult library materials, and to discuss and review new young adult books. If you would like to participate, and can commit to meeting for one hour a month, fill out the application below and return it to the Hudson Library's teen service desk.
