

Downloading eBooks to your Device:

Hudson Library and Historical Society partners with Overdrive.

The Reference staff can assist patrons who are unfamiliar with eBooks on Overdrive.

Circulating eReaders are either preloaded with titles or are open for patrons to download their own titles.

Patrons will not be able to download any titles to a preloaded eReader. A list of titles saved to the eReader will be listed on the case.

More information on eBooks can be found on our website:
